

Jode Steele and David Wainwright

“Jode and Dave have been amazing. Throughout the whole process they have been a pleasure to work with. The music they have supplied has been of excellent quality and turned around really quickly (they dealt with making requested changes and tweaks always within 24hours, which for any Producer/Edit is an absolute godsend).

They are super responsive and take direction really well. I cannot rate them highly enough.

As an added note --- People throughout the production team, from commissioners to dubbing mixers have commented on the depth and quality of the music they’ve produced.”

Nick Gunaydin, BBC Series Producer, Raven (CBBC)
