

COMPOSER NAME

Banks & Wag

KNOWN FOR:

CHILDREN'S SERIES, ENTERTAINMENT, ANIMATION

Well known for their hooky melodies and versatility, British composers Chris Banks & Wag Marshall-Page are the creative musical energy behind a strikingly diverse range of popular television series.

From their beginnings as jingle writers for Russian margarine and Dutch compost; via stints with pop acts including Sugababes, Busted, and Sophie Ellis-Bextor; the pair are now in-demand composers for the BBC, ITV, Channel 4, Channel 5, Sky, Disney, Netflix, and other global broadcasters. To the nation's pre-schooler parents, Banks & Wag are the masterminds behind many of CBeebies' most virulent ear-worms: the award-winning Go Jetters, ZingZillas, and the channel's annual song-filled Christmas Shows. Their experience in Children's productions also extends to UK flagships Blue Peter, Newsround, Something Special.

TESTIMONIAL

Not a single note on music from our commissioners through the entire process, which tells you something. We could not be more impressed.
