

COMPOSER NAME

Joss Peach

KNOWN FOR: CHILDREN'S SERIES, ANIMATION

Joss Peach is a BAFTA-winning composer.

He began regularly gigging as a jazz pianist aged 15. His love of jazz piano provides the foundation for his musicality. He has worked around the world with a variety of ensembles, including Beatbox sensation Beardyman and jazz vocal legend Claire Martin OBE.

His career has seen him working as band leader of his own jazz ensembles, accompanist and arranger.

Joss is a multi instrumentalist who has a vast array of live instruments to bring to producers' projects, alongside a first class network of professional musicians to supplement. His talented wife Josie plays saxes flute and clarinet which adds an extra dimension to Joss's commissions.

TESTIMONIAL

"We go back to [Ellie Wyatt and Joss] for the simple reason they are creative, enthusiastic, patient and able to take a brief and run with it... we find they bring an additional dimension to any project."
