Can-Land Music

Kyle Riabko & Steph McKeon

KNOWN FOR: ANIMATION, CHILDREN'S

Co-founders Steph and Kyle Riabko are two humble cookies. They probably wouldn't tell you, but between them, they have an insane amount of world-class experience in entertainment. Whether it's starring in Broadway shows, creating a West End hit musical, working in television and film (in front of and behind the scenes), or writing and producing major label albums for Columbia Records, storytelling is at the heart.

The experience of using music as a driving force in telling a story, combined with an unabashed love for animation inspired husband and wife duo, Stephanie Riabko & Kyle Riabko, to form a company dedicated to creating super fun, creative and relevant music for kids of the TikTok Generation!

Stephanie Riabko (McKeon for her stage/screen career) is a Songwriter and Composer who has been telling stories through music her entire life. She began her career as an Actor/ Singer back in her home town of Dublin, until she set off on her quest to star on the West End stage. And that she did — performing leading roles in productions like The Commitments, Beautiful: The Carole King Musical, and Close To You: Bacharach Reimagined.

Kyle Riabko is a composer and songwriter who has been telling stories through music his entire life. After a childhood of honing his musicianship in Saskatoon, Canada, Kyle released a full length album of original music on Columbia / Aware Records at the age of 17. He subsequently spent his teen years performing as an opening act for a wide range of artists, including BB King, James Brown, Buddy Guy, Jason Mraz, and John Mayer.

Since then, Kyle's career has included a little bit of everything – composing, songwriting, producing, touring, acting on television/Broadway, and creating the acclaimed West End show, Close To You: Bacharach Reimagined. Kyle's musical arrangements for the show received the very enthusiastic support of his mentor, Burt Bacharach, who said "Kyle has done something truly unique with my music. He's a beautiful singer and one hell of a guitar player."
