

THE COMPOSERWORKS

Paul Farrer

KNOWN FOR: ENTERTAINMENT, DRAMA

Royal Television Award-winner Paul Farrer is one of the UK's most successful media composers. In a career spanning more than 30 years he has composed music for some of the biggest programmes on British Television.

From **The Chase**, **Dancing On Ice**, **Gladiators**, **Michael McIntyre's Big Show**, **Ninja Warrior**, **Fort Boyard**, **Red Dwarf - The Promised Land**, **Gordon Ramsay's Culinary Genius**, **Ant and Dec's Push The Button**, **The Jerry Springer Show**, **Judge Rinder**, **The Krypton Factor** and the **BBC's** most successful international format of all time - **The Weakest Link** - which was broadcast in 97 countries and over 25 years on British Television, amassing almost 2000 episodes.

In 2012, Paul was commissioned to compose all the music to the 100th Anniversary of the **Royal Variety Performance** at the **Royal Albert Hall**, held in the presence of **Her Majesty The Queen**. By 2019, he had composed the orchestral music for this prestigious event for eight consecutive years. In 2024, Paul provided the music for the **BBC's** coverage of the **Olympic Games** in Paris.

2026 projects include **Millionaire Hot Seat** (based on the Who Wants to Be A Millionaire format) for **ITV** and Danny Dyer-hosted **Nobody's Fool**, also for **ITV**.

A recipient of the **Ampex Golden Reel Award**, a **BMI Composer Award**, and a **Royal Television Society Award**, Paul's exceptional talent for composition makes him perfectly suited to score drama, landmark natural history series, period and historical dramas, and comedy.

TESTIMONIALS

The best in the business.

RICHARD OSMAN

Paul delivered, and then some! As always he was very quick, and his work gave the show the rich and dramatic enhancement that the channel was looking for.

ADRIAN PEGG, LINE PRODUCER – RED DWARF

It's everything a theme tune should be.
